ONE HUNDRED TWENTY-FIRST ANNUAL REPORT  
NORTH CAROLINA BOARD OF PHARMACY

October 1, 2001 – September 30, 2002

MEMBERS AND ORGANIZATION

---

COMMISSIONED BY HIS EXCELLENCY THE GOVERNOR OF NORTH CAROLINA

---

W.E. Nelson, Hertford, President ..... Term expires April 30, 2005  
L.S. Haywood, Asheboro, Vice President ..... Term expires April 30, 2005  
R.W. Chater, Asheville ..... Term expires April 30, 2007  
R.L. Crocker, Farmville ..... Term expires April 30, 2006  
B.H. Dennis, Chapel Hill ..... Term expires April 30, 2007  
T.R. Rogers, Raleigh ..... Term expires April 30, 2005

Executive Director

David R. Work, Chapel Hill

General Counsel

Carson Carmichael, Raleigh

Investigators/Inspectors

Sandra Burns, Hickory  
Steve W. Hudson, Hickory  
Timothy Jones, Stanley  
Joshua Kohler, Raleigh  
Jason Smith, Matthews  
C. Brian Stewart, Rocky Mount  
J. Ken Wilkins, Walnut Cove

---

Chapel Hill, North Carolina  
June 27, 2003

To His Excellency  
Governor Mike F. Easley  
Raleigh, North Carolina

Dear Sir:

In compliance with Article 4, Section 90-57 of the General Statutes of North Carolina, we are pleased to submit to you and to the North Carolina Association of Pharmacists the One Hundred Twenty-First Annual Report of the North Carolina Board of Pharmacy. This report contains the proceedings of the Board of the fiscal year ending September 30, 2002.

Respectfully yours,

NORTH CAROLINA BOARD OF PHARMACY  
David R. Work, Executive Director

2002

### Board Property Purchase Authority

During the 2001 session of the General Assembly the Pharmacy Board obtained the ability to purchase property. At the November, 2001 meeting the members took the first step towards that goal on motion of Mr. Rogers, seconded by Mr. Crocker to engage the services of Vijay Shah and the Advantis Real Estate Services, Chapel Hill, NC. At that same meeting the members allocated that funds be set aside in reserve of \$300,000 for payment on an office space and a \$200,000 reserve for litigation.

At the August meeting of the Board the members adopted a resolution which delegated to the Executive Director the authority to sign any paperwork for the purchase of property which would include loan applications, letters of intent to purchase property, contracts, architectural proposals and any other consideration necessary for this undertaking. The motion passed unanimously.

### Registration of Technicians

The calendar year 2002 was the initiation of the technician registration with the Pharmacy Board. It was the members' decision that each technician should receive a Board Newsletter and this activity would increase the number of registrants with the Board by about 40%.

It was also the consensus of the members that technicians who work part time should register with the Board in the same manner as full time technicians.

It was the general consensus of the Board that technicians who work in "free clinics" would not need to register or pay the fee but they would need to get the education required by Board rules.

### New School of Pharmacy Planned

It was noted that Wingate University has plans to open a school of pharmacy and the board staff should make efforts to initiate dialogue with personnel from that university. Following an extensive nationwide search, Dr. Robert Supernaw was named as the new Dean. Dr. Nicholas Blanchard was chosen as the Assistant Dean of Student Affairs. The School of Pharmacy will have its Charter Class of sixty students begin in August 2003.

### Pharmacist Volunteers for Emergencies

This fiscal year brought the Board's first attempt to establish a list of pharmacist volunteers who could assist in emergencies such as the Anthrax scare that occurred in the fall of this year. The January 2002 issue of the Board's Newsletter included an appeal for volunteers.

The first request produced 102 pharmacists who are willing to help during emergencies.

### Examination for Patient Counseling

The members heard a report from Mr. Nelson regarding the licensure exam used in the state of Kentucky which tests patient counseling on an individual basis. It was the consensus of members that individuals would visit the Kentucky Board to observe the

administration of this examination. This occurred in July of 2002 with Mr. Nelson and Mr. Work who visited Lexington for this observation.

#### Pharmacist to Technician Ratios

The ratio of 2 to 1 can be expanded to a larger ratio on individual applications. The members approved a specific application form to achieve that status.

#### Disciplinary Actions

A policy decision was made by the board initiated by Mr. Haywood that disciplinary actions against pharmacists would have only a general reference in the Newsletter with specifics at the Board's web site. Inquiries could produce additional material from the Board's files if necessary.

#### Pay Plan

One significant step forward in the administration of the Board office was made at the January 2002 meeting when the members adopted the personnel policy procedures and pay plan recommended by the MAPS group.

#### AAA Membership

It was the consensus of the Board that Triple A membership be obtained for all Board members as well as staff who travel on Board business. The Board would incur the cost for Board members and staff with spouses and/or children added at the staff or employee's own expense.

#### Carmichael Honor

A landmark case was handed down by the Supreme Court of North Carolina in early 2002 involving a case that the Board had with Sunscript Pharmacy. President Watts awarded Board Counsel Carson Carmichael a special recognition at the March meeting for this victory.

#### Durable Medical Equipment (DME) Procedure

In October of this fiscal year the Board held its first full scale hearing on a DME permit which had respiratory home care in Smithfield, permit #385 and Wilson, permit #445 as respondents. The charges included the dispensing of prescription legend drugs without the supervision of a pharmacist and it was the eventual decision of the Board to suspend each permit for 30 days with the suspension stayed for a period of five years with specific conditions.

This fiscal year also brought a further refinement of the procedure for disciplinary actions by the Board against DME suppliers. This would require that the DME Committee make a finding and the Board would adopt that as an order unless they had specific reason not to do so.

A Memorandum of Understanding was executed with the DME Committee and is made a part of this material at the end of this report. (Exhibit A)

### Patient Confidentiality

Dr. Betty Dennis raised the issue of patient confidentiality during Board hearings. It was the consensus that staff would make every effort to keep patient names and medical information confidential whenever possible during Board hearings.

### Meeting with Secretary of HHS

All members of the Board met with the Secretary of Health and Human Services Carmen Hooker-Odom on April 16, 2002 at her office in Raleigh. The members expressed their concern that diminished payments from Medicaid could have a detrimental effect on the availability of pharmaceutical services in many rural parts of the state.

### Cell Phone Use

After several interruptions from ringing telephones occurred during disciplinary hearings it was noted that the use of cell phones in the Board meeting room was a problem. The Board adopted by consensus a policy that any cell phone in the Board meeting room be turned off during a meeting or put on a vibration mode that would not disrupt the proceedings.

### Board Retreat

For the first time in many years President Nelson scheduled a Board retreat which occurred in Manteo on September 27-29. A summary of the topics reviewed at that time is added at the end of this report. (Exhibit B)

### Clinical Pharmacist Practitioners

In May of 2002 the members, for the first time, approved Clinical Pharmacist Practitioners in this state. A list of all such practitioners approved this fiscal year is included at the end of this Annual Report. (Exhibit C)

### Spanish Language Labeling

At the July 2002 meeting the members approved the distribution of a poster which will provide for consumers who understand only Spanish to ask for their prescription labeling in Spanish. A copy of this poster is added at the end of this report. (Exhibit D)

### Charitable Programs

At the July 2002 meeting the members confirmed their long standing position that commercial packages of prescription drugs sent to doctors offices or other locations cannot be dispensed without the proper packaging, labeling, record keeping, patient counseling and prospective DUR required by Board rules.

### Electronic Renewals

The decision was made to continue the renewal of licenses the practice pharmacy as well as DME permits electronically for the 2003 renewal year. The plan is to expand this option to other registrants each year as appropriate.

### Regional Programming Proposal

In September of this year the Executive Director of the North Carolina Association of Pharmacists proposed that the board participate with schools and other leaders in regional programming in at least six locations around North Carolina. The members approved of this concept and directed Mr. Work to proceed further in this regard.

### Accreditation of Lebanese American University School of Pharmacy

For the first time the American Council on Pharmaceutical Education has accredited a school outside of the United States. The Lebanese American University School of Pharmacy Doctor of Pharmacy program was accredited as of July 2002 and forward. This could start a trend which would make licensure of graduates of these schools much easier.

### New/Amended Rules

Rules amended or adopted for the fiscal year October 1, 2001-September 30, 2002 is attached as Exhibit E of this report.

### Selected Newsletter Items

Selected items from the Board's Newsletter are attached as Exhibit F of this report. Topics are chosen for their significance in the development of the practice of pharmacy during this fiscal year. These are intended to be "snapshots" to inform future generations of the challenges and opportunities faced by pharmacists during 2001 and 2002. Certain milestones are marked including the selection of two new Board Members, both of whom have advanced degrees which is a first in modern times.

**MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**THE NORTH CAROLINA BOARD OF PHARMACY  
AND  
THE DEVICE AND MEDICAL EQUIPMENT COMMITTEE**

This Memorandum of Understanding is designed to clarify the authority delegated from the North Carolina Board of Pharmacy (Board) to the Device and Medical Equipment Committee (Committee) in order to enhance effectiveness and define responsibilities while avoiding duplication of effort.

- I. Primary responsibility for the interpretation and enforcement of laws and regulations governing businesses providing devices and durable medical equipment to citizens of this state is delegated by the Board to the Committee. This responsibility shall be carried out as follows:

Alleged unlawful practice by a device and medical equipment provider holding a permit issued by the Board, or an employee thereof, shall be subject to investigation by Board staff. Any person who believes that a device and medical equipment firm has violated any laws or regulations within the jurisdiction of the Board, and that govern the device and medical equipment industry, may cause an investigation against that person or firm by setting forth in writing those charges and swearing to their authenticity. Upon receipt of a properly filed charge, or on receipt of a reliable report alleging a violation has occurred, and following a determination by the Director of Investigations and Inspections that there is a jurisdictional basis for Board action, Board staff will initiate an investigation. At the decision of the Director of Investigations and Inspections, the permit holder may be directed to file a written response to the charge, or a field investigation may be performed without prior notice to any of the parties involved.

The Board specifically delegates to the Committee the responsibility to review all available evidence, determine if probable cause exists to impose disciplinary action on a permit, and subject to the terms of this Memorandum, recommend disciplinary action against the permit. A majority of the Committee must be present at any formal disciplinary hearings. The Committee Chairperson shall preside over the hearing. Unless otherwise directed by the Committee Chairperson, an attorney for the Board shall be present along with appropriate members of the Board staff. The hearing shall be open to the public and comply with G.S. 150B.

In accordance with 21 N.C.A.C. 46.2007(c), the Committee shall propose a recommended decision to be presented to the Board at its next meeting.

If the Committee views the violation to be an immediate threat to the public health and safety, the matter will be presented to the Board pursuant to G.S.

150B-3(c).

- II. The Board shall adopt the recommended decision of the Committee as the final decision unless the Board finds that the recommended decision is clearly contrary to the preponderance of the admissible evidence in the record.
  
- III. The Board shall provide funding for all activities of the Committee and staff in carrying out the official business of their positions. The Committee Chairperson, or the designee thereof, shall be a member of the Board's finance committee. Members of the Committee shall receive per diem payments, reimbursement for mileage and other expenses incurred while conducting Committee business, consistent with payments made to Board members.
  
- IV. The Committee shall meet at least twice each year at a place designated by the Committee Chairperson. Special meetings of the Committee may be called by the Chairperson, the Executive Director, or two or more members of the Committee and notice shall be given to each member of the Committee of the time and place of such meeting and the business to be transacted at the meeting. Each member of the Committee shall attend a minimum of 50% of all meetings annually. Failure to do so shall result in the Committee Chairperson reporting the absenteeism to the President of the Board.
  
- V. Members of the Committee shall be selected in compliance with 21 N.C.A.C. 46.2109 and will serve 5 year terms. The Board will appoint at least two members of the Committee to the advisory Committee on nominations required by 21 N.C.A.C. 46.2104. Members of the advisory committee on nominations shall submit at least two names of eligible candidates by March 1st for the position to be filled that year.

Nominations may also be made by the petition of 10 eligible voters from a specified practice area, such document to be filed in the Board office or postmarked before March 10 for the next election. Nominations shall be closed on March 15th.

A person's name shall not be placed on the ballot without their written consent. A ballot shall be mailed, with return envelope, to all eligible voters in April of the year in which the election is held. A brief description of a nominee's qualifications, provided by the nominee and edited, if necessary, by the secretary, shall accompany each ballot. Secret ballots shall be cast in the envelope provided by mail or delivered to the Board office in the envelope provided before May 15th. Ballots received shall be counted and certified by the Committee appointed by the Board at its next scheduled Committee meeting. The elections Committee shall determine the validity of any challenged ballot and mechanical devices may be used in compiling election results.

VI. The Chairperson shall be elected by the Committee members annually.

VII. The Chairperson or designee thereof shall meet with the Board at least annually to share information, discuss policies, consult and coordinate with each other on matters of mutual concern.

This Memorandum may be modified, amended, or terminated by written agreement between the Board and the Committee. Unless otherwise approved by written agreement, the Memorandum will continue in affect even if the officers or membership of either party change.

This the 25<sup>th</sup> day of September, 2002.

## Exhibit B

**Summary**  
**Pharmacy Board Retreat**  
**September 27, 28, 29, 2002**  
**County Commissioner's Meeting Room**  
**Manteo, NC**

Attending: Wallace Nelson, President; Stan Haywood, Vice President; Bob Crocker; Betty Dennis; Rebecca Chater; David Work and Parker Chesson, Consultant

Parker Chesson presented a refresher course on boardmanship for approximately 2 hours

➤ **Agenda and Background Materials**

- Members desire earlier receipt of this information, about one week ahead of time, if possible

➤ **Reciprocity**

- Consensus to move to Multi-State Jurisprudence Exam
  - Candidates must pass this exam prior to coming to reciprocity session
  - Case Studies/Vignette
  - Transition—Take exam here, retake at the next session two months later PRN

➤ **Groups for Meetings**

- Chain Stores
  - Nelson
  - Haywood
  - Dennis
- Hospital
  - Chater
  - Crocker
  - Nelson
- Consultant
  - Chater
  - Haywood
  - Rogers
- Independents
  - Crocker
  - Chater
  - Dennis

➤ **Discipline Issues**

- Concern/Caution/Warning---This would be a letter from the Board office ordinarily captioned a Letter of Warning”
- Reprimand/Restriction/Revocation (Permanent)
  - Do something constructive to change actions (Chater)
- Ingestion-- Patient /Harmed/Hospitalization, etc.
  - Ingestion
  - Change in Therapy such as discontinuing drug
  - Hospitalization
  - Consider response to pharmacist or permit holder
- Simple Dispensing Errors – Range of Penalties
  - Develop proposed guidelines for action on complaints for both staff and Board

➤ **Add Multistate Jurisprudence Exam to Initial Licensure Process**

➤ **Patient Counseling –Add to Examination in January of 2004**

➤ **Newton Office**

- Dollar comparison versus moving to Chapel Hill

➤ **Pharmacist Recovery Network**

- Provide MOU and other printed information to Board members including copy of their budget, reports, etc.
- Staff instructed to review other state models
- Concern expressed over control and responsibilities
- Concern over accountability
- If pharmacist does not work the plan then the contract is void and the matter is passed to the Pharmacy Board
- Hold people hostage
- Evaluation

➤ **Board Office**

- Conference Room connected to Board room behind meeting area
- Reciprocity conducted in the Board room
- Break area nearby
- Catering Kitchen
- Kitchen-big enough for staff to eat lunch

➤ **Return Goods Rule**

- Enforce – Yes
- Notice for Hearing ASAP with complaint

➤ **Institutional Rules/Pyxis**

- Appoint Committee

➤ **Office for Board Members**

- Recliner

➤ **Prior Criminal Records?**

- “Everyone does not have the right to be a pharmacist”
- Individual cases – talk with Board member and bring to full Board for opinion

➤ **Reinstatements**

- Pending Criminal Charges
  - Use v. Sale of controlled substances
    - Hold until adjudicated
- Reinstatement after being out of practice
  - 1 –2 years --catch up on c.e. and take jurisprudence exam
  - 2-5 years – 500 hours of internship; catch up on c.e.; pass Multistate Jurisprudence Exam or state exam at regular scheduled time
  - Greater than 5 years --- 1500 hours of internship and pass NAPLEX

➤ **Technicians**

- Define what we are willing to allow
- What education do we require for expanded responsibilities
- Statutory changes required?
- Further education needed?
  - Chain discussion/hospital discussion
    - Dental assistant model
- Explore expanded role
- Explore requiring PTCB certification to practice

➤ **Workload/Dispensing Errors**

- Solicit personal statements from pharmacy community soon
- Leaders Forum topic
- Put on table with the chain/hospital/independent group

➤ **Topics for Leaders Forum**

- Technician Role
- Workload Issues
  - Document that problems have been pointed out to management and place it on file in our office
  - Asking for help will be mitigating circumstance in case future disciplinary actions occur

## **English Translation of text:**

**“If you would like for your prescription medication and instructions to be written in Spanish, please let the pharmacist know by pointing to this sign so that he/she will understand that you want it in Spanish.”**

# Exhibit E

## RULES AMENDED OR ADOPTED OCTOBER 1, 2001-SEPTEMBER 30, 2002

### 21 NCAC 46 .1814        **AUTOMATED DISPENSING OR DRUG SUPPLY DEVICES**

(a) Automated dispensing or drug supply devices may be used in health care facility pharmacies and where a pharmacy permit exists, for maintaining patient care unit medication inventories or for a patient profile dispensing system, provided the utilization of such devices is under the supervision of a pharmacist. The pharmacist-manager shall develop and implement procedures to assure safe and effective use of medications, and, at a minimum, shall assure that:

- (1) only authorized personnel, as indicated by written policies and procedures, may obtain access to the drug inventories;
- (2) all drugs therein are reviewed no less than monthly;
- (3) a system of accountability must exist for all drugs contained therein; the purity, potency, and integrity of the drugs shall be preserved;
- (4) the device provides records required by this Section and other applicable laws and rules;
- (5) requirements for controlled substances security are met; and
- (6) prior to the drug being released for access by the nurse, the pharmacist enters the medication order into a computerized pharmacy profile that is interfaced to the automated dispensing unit, so that drug allergy screening, therapeutic duplication, and appropriate dose verification is done prior to the drug being administered.

(b) Notwithstanding the provisions of Rule 21 NCAC 46 .2501, a pharmacist is required to supervise only the following activities pursuant to this Rule:

- (1) The packaging and labeling of drugs to be placed in the dispensing devices. Such packaging and labeling shall conform to all requirements pertaining to containers and label contents;
- (2) The placing of previously packaged and labeled drug units into the dispensing device; and
- (3) The restocking of automated dispensing devices.

(c) Only persons authorized by the pharmacist-manager may remove drugs from the dispensing devices and only in the quantity of doses needed to satisfy immediate patient needs. Should a violation of the foregoing occur, the pharmacist-manager shall conduct an investigation and report any violations to the entity having jurisdiction over these issues.

(d) Bar code scanning of drug packaging and storage units may be utilized as a quality control mechanism if this technology is available in the automated dispensing system.

*History Note: Authority G.S. 90-85.6; 90-85.32; 90-85.33;  
Eff. April 1, 1999;*

Amended Eff. August 1, 2002

### 21 NCAC 46 .1817        **PROOF OF IDENTIFICATION**

(a) As a precondition to filling any prescription or dispensing any drug, a pharmacist or person acting at the direction of a pharmacist may demand, inspect and record proof of identification, including valid photographic identification, from any patient presenting a prescription or any person acting on behalf of the patient. Valid photographic identification includes but is not limited to the following:

- (1) A valid motor vehicle operator's license;
- (2) A valid identification card;
- (3) A valid United States passport; or
- (4) Other valid, tamper-resistant, photographic identification.

(b) A pharmacist or person acting at the direction of a pharmacist may exercise discretion and refuse to fill any prescription or dispense any drug if unsatisfied as to the legitimacy or appropriateness of any prescription presented, the validity of any photographic identification or the identity of any patient presenting a prescription or any person acting on behalf of the patient. Refusal to fill pursuant to this Paragraph shall be noted on the prescription by the pharmacist or person acting at the direction of a pharmacist.

*History Notes: Authority G.S. 90-85.6; 90-85.32;*

Eff. August 1, 2002

**21 NCAC 46 .2004            REQUEST FOR HEARING**

(a) Any time an individual believes that individual's rights, duties, or privileges have been affected substantially by the Board's administrative action, but has not received notice of a right to an administrative hearing, that individual may file a formal request for a hearing.

(b) Before an individual may file a request, that individual is encouraged to exhaust all reasonable efforts to resolve the issue informally with the Board.

(c) Subsequent to such informal action, if still dissatisfied, the individual may submit a request to the Board's office, with the request bearing the notation: **REQUEST FOR ADMINISTRATIVE HEARING**. The request shall contain the following information:

- (1) name and address of the petitioner;
- (2) a concise statement of the action taken by the Board which is challenged;
- (3) a concise statement of the way in which the petitioner has been aggrieved; and
- (4) a clear and specific statement of request for a hearing.

(d) A request for administrative hearing must be submitted to the Board's office within 60 days of receipt of notice of the action taken by the Board which is challenged. The request will be acknowledged promptly and, if deemed appropriate by the Board in accordance with 21 NCAC 46 .2005, a hearing shall be scheduled.

*History Note:     Authority G.S. 90-85.6; 150B-38;  
                         Eff. September 1, 1988;*

Amended Eff. August 1, 2002.

**21 NCAC 46 .2108            DETERMINATION OF ELECTION RESULTS**

The determination of election results shall be in accordance with G.S. 163-111, which is adopted herein by reference and includes subsequent amendments and editions. A copy of G.S. 163-111 is available for inspection at the Board office and may be obtained from the Board office for a cost of 25 cents (\$.25) per page.

*History Note:     Authority G.S. 90-85.7;  
                         Eff. March 1, 1991;*

Amended Eff. December 1, 2001.

**21 NCAC 46 .2502            RESPONSIBILITIES OF PHARMACIST-MANAGER**

(a) The pharmacist-manager shall assure that prescription legend drugs and controlled substances are safe and secure within the pharmacy.

(b) The pharmacist-manager employed or otherwise engaged to supply pharmaceutical services may have a flexible schedule of attendance but shall be present for at least one-half the hours the pharmacy is open or 32 hours a week, whichever is less.

(c) Whenever a change of ownership or change of pharmacist-manager occurs, the successor pharmacist-manager shall complete an inventory of all controlled substances in the pharmacy within 10 days. A written record of such inventory, signed and dated by the successor pharmacist-manager, shall be maintained in the pharmacy with other controlled substances records for a period of three years.

(d) The pharmacist-manager shall develop and implement a system of inventory record-keeping and control which will enable that pharmacist-manager to detect any shortage or discrepancy in the inventories of controlled substances at that pharmacy at the earliest practicable time.

(e) The pharmacist-manager shall maintain complete authority and control over any and all keys to the pharmacy and shall be responsible for the ultimate security of the pharmacy. A pharmacy shall be secured to prohibit unauthorized entry if no pharmacist will be present in the pharmacy for a period of 90 minutes or more.

(f) These duties are in addition to the specific duties of pharmacist-managers at institutional pharmacies and pharmacies in health departments as set forth in the Rules in this Chapter.

- (g) A person shall not serve as pharmacist-manager at more than one pharmacy at any one time except for limited service pharmacies.
- (h) When a pharmacy is to be closed permanently, the pharmacist-manager shall inform the Board and the United States Drug Enforcement Administration of the closing, arrange for the proper disposition of the pharmaceuticals and return the pharmacy permit to the Board's offices within 10 days of the closing date. Notice of the closing shall be given to the public by posted notice at the pharmacy at least 30 days prior to the closing date and, if possible, 15 days after the closing date. Such notice shall notify the public that prescription files may be transferred to a pharmacy of the patient's or customer's choice during the 30 day period prior to the closing date. During the 30 day period prior to the closing date, the pharmacist-manager, and the pharmacy's owner (if the owner is other than the pharmacist-manager), shall transfer prescription files to another pharmacy chosen by the patient or customer, upon request. Absent specific instructions from the patient or customer, the pharmacist-manager, and the pharmacy's owner (if the owner is other than the pharmacist-manager), shall transfer prescription files to another pharmacy for maintenance of patient therapy and shall inform the public of such transfer by posted notice at the pharmacy for 15 days after the closing date, if possible. Controlled substance records shall be retained for the period of time required by law.
- (i) The pharmacist-manager shall ensure that notice of the temporary closing of any pharmacy for more than 14 consecutive days is given to the public by posted notice at the pharmacy at least 30 days prior to the closing date, and, if possible, 15 days after the closing date. Such notice shall notify the public that prescription files may be transferred to a pharmacy of the patient's or customer's choice during the 30 day period prior to the closing date. During the 30 day period prior to the closing date, the pharmacist-manager, and the pharmacy's owner (if the owner is other than the pharmacist-manager), shall transfer prescription files to another pharmacy chosen by the patient or customer, upon request.
- (j) The pharmacist-manager shall prepare a plan to safeguard prescription records and pharmaceuticals in the event of a natural disaster such as hurricane or flood.
- (k) The pharmacist-manager shall separate from the dispensing stock all drug products more than six months out of date.
- (l) The pharmacist-manager shall report to the Board of Pharmacy information that reasonably suggests that there is a probability that a prescription drug or device dispensed from a location holding a permit has caused or contributed to the death of a patient or customer. This report shall be filed in writing on a form provided by the Board within 14 days of the owner representative or pharmacist-manager's becoming aware of the event. The pharmacist-manager shall retain all documents, labels, vials, supplies, substances and internal investigative reports relating to the event. All such items shall be made available to the Board upon request.
- (m) The Board shall not disclose the identity of a pharmacist-manager who makes a report under Paragraph (l) of this Rule, except as required by law. All reports made under Paragraph (l) of this Rule shall not be released except as required by law.
- (n) Dispensing errors which are not detected and corrected prior to the patient receiving the medication shall be documented and reported to the pharmacist-manager. Documentation shall include pertinent chronological information and appropriate forms including the identity of individual(s) responsible. These documents, including action taken as part of a quality assurance plan, shall be archived in a readily retrievable manner and open for review, copying or seizure by the Board or its designated employees within 48 hours of a request for inspection for a period of three years. These documents shall be released only to the Board or its designated employees pursuant to an investigation and shall not otherwise be released except as required by law. Upon request by the Board or its designated employees, these documents shall be transmitted by the pharmacist-manager to an office of the Board.
- (o) In any Board proceeding, the Board shall consider compliance with Paragraphs (l) and (n) of this Rule as a mitigating factor and noncompliance with Paragraphs (l) and (n) of this Rule as an aggravating factor.

**21 NCAC 46 .2506 EXCEPTIONS TO HEALTH CARE PRACTITIONERS IDENTIFICATION REQUIREMENTS**

(a) A pharmacist is not required to wear a readily visible badge or other form of identification in the following direct patient care situations:

- (1) procedures requiring full sterile dress; or
- (2) procedures requiring other protective clothing or covering.

(b) Identification of a pharmacist may be limited to first name only with reference to licensure or other professional designation when the full name identification may:

- (1) place the personal safety of the pharmacist in jeopardy; or
- (2) interfere with the therapeutic relationship between the pharmacist and client(s).

*History Note: Authority G.S. 90-640;  
Eff. August 1, 2002.*

**21 NCAC 46 .3101 CLINICAL PHARMACIST PRACTITIONER**

(a) Definitions:

- (1) "Medical Board" means the North Carolina Medical Board.
- (2) "Pharmacy Board" means the North Carolina Board of Pharmacy.
- (3) "Joint Subcommittee" means the subcommittee composed of four members of the Pharmacy Board and four members of the Medical Board to whom responsibility is given by G.S. 90-6(c) to develop rules to govern the provision of drug therapy management by the Clinical Pharmacist Practitioner in North Carolina.
- (4) "Clinical Pharmacist Practitioner or CPP" means a licensed pharmacist in good standing who is approved to provide drug therapy management under the direction of, or under the supervision of a licensed physician who has provided written instructions for a patient and disease specific drug therapy which may include ordering, changing, substituting therapies or ordering tests. Only a pharmacist approved by the Pharmacy Board and the Medical Board may legally identify himself as a CPP.
- (5) "Supervising Physician" means a licensed physician who, by signing the CPP agreement, is held accountable for the on-going supervision and evaluation of the drug therapy management performed by the CPP as defined in the physician, patient, pharmacist and disease specific written agreement. Only a physician approved by the Medical Board may legally identify himself or herself as a supervising physician.
- (6) "Approval" means authorization by the Medical Board and the Pharmacy Board for a pharmacist to practice as a CPP in accordance with this Rule.
- (7) "Continuing Education or CE" is defined as courses or materials which have been approved for credit by the American Council on Pharmaceutical Education.
- (8) "Clinical Experience approved by the Boards" means work in a clinical pharmacy practice setting which includes experience consistent with the following components as listed in Parts (b)(2)(A), (B), (C), (D), (E), (H), (I), (J), (N), (O), and (P) of this Rule. Clinical experience requirements must be met only through activities separate from the certificate programs referred to in Parts (b)(1)(B) of this Rule.

(b) CPP application for approval.

- (1) The requirements for application for CPP approval include that the pharmacist:
  - (A) has an unrestricted and current license to practice as a pharmacist in North Carolina;
  - (B) meets one of the following qualifications:
    - (i) has earned Certification from the Board of Pharmaceutical Specialties, is a Certified Geriatric Pharmacist or has completed an American Society of Health System Pharmacists (ASHP) accredited residency program, which includes two years of clinical experience approved by the Boards; or
    - (ii) has successfully completed the course of study and holds the academic degree of Doctor of Pharmacy and has three years

of clinical experience approved by the Boards and has completed a North Carolina Center for Pharmaceutical Care (NCCPC) or American Council on Pharmaceutical Education (ACPE) approved certificate program in the area of practice covered by the CPP agreement; or

(iii) has successfully completed the course of study and holds the academic degree of Bachelor of Science in Pharmacy and has five years of clinical experience approved by the Boards and has completed two NCCPC or ACPE approved certificate programs with at least one program in the area of practice covered by the CPP agreement;

- (C) submits the required application, a written endorsement from the Pharmacy Board and the fee to the Medical Board;
- (D) submits any information deemed necessary by the Medical Board in order to evaluate the application; and
- (E) has a signed supervising physician agreement.

If for any reason a CPP discontinues working in the approved physician arrangement, both Boards shall be notified in writing within 10 days and the CPP's approval shall automatically terminate or be placed on an inactive status until such time as a new application is approved in accordance with this Subchapter.

(2) All certificate programs referred to in Part (2)(a)(ii) of the Rule must contain a core curriculum including at a minimum the following components:

- (A) communicating with healthcare professionals and patients regarding drug therapy, wellness, and health promotion;
- (B) designing, implementing, monitoring, evaluating, and modifying or recommending modifications in drug therapy to insure effective, safe, and economical patient care;
- (C) identifying, assessing and solving medication-related problems and providing a clinical judgment as to the continuing effectiveness of individualized therapeutic plans and intended therapeutic outcomes;
- (D) conducting physical assessments, evaluating patient problems, ordering and monitoring medications and laboratory tests in accordance with established standards of practice;
- (E) referring patients to other health professionals as appropriate;
- (F) administering medications;
- (G) monitoring patients and patient populations regarding the purposes, uses, effects and pharmacoeconomics of their medication and related therapy;
- (H) counseling patients regarding the purposes, uses, and effects of their medication and related therapy;
- (I) integrating relevant diet, nutritional and non-drug therapy with pharmaceutical care;
- (J) recommending, counseling, and monitoring patient use of non-prescription drugs, herbal remedies and alternative medicine practices;
- (K) using, ordering, and instructing on the use of devices, and durable medical equipment;
- (L) providing emergency first care;
- (M) retrieving, evaluating, utilizing, and managing data and professional resources;
- (N) using clinical data to optimize therapeutic drug regimens;
- (O) collaborating with other health professionals;
- (P) documenting interventions and evaluating pharmaceutical care outcomes;
- (Q) integrating pharmacy practice within healthcare environments;
- (R) integrating national standards for the quality of healthcare; and
- (S) conducting outcomes and other research.

(3) The completed application for approval to practice as a CPP shall be reviewed by the Medical Board upon verification of a full and unrestricted license to practice as a pharmacist in North Carolina.

- (A) The application shall be approved and at the time of approval the Medical Board shall issue a number which shall be printed on each prescription written by the CPP; or
  - (B) The application shall be denied; or
  - (C) The application shall be approved with restrictions.
- (c) Annual Renewal.
- (1) Each CPP shall register annually on the anniversary of his or her birth date by:
    - (A) verifying a current Pharmacist license;
    - (B) submitting the renewal fee as specified in Subparagraph (j)(2) of this Rule;
    - (C) completing the Medical Board's renewal form; and
    - (D) reporting continuing education credits as specified by the Medical Board.
  - (2) If the CPP has not renewed within 30 days of the anniversary of the CPP's birth date, the approval to practice as a CPP shall lapse.
- (d) Continuing Education.
- (1) Each CPP shall earn 35 hours of practice relevant CE each year approved by the Pharmacy Board.
  - (2) Documentation of these hours shall be kept at the CPP practice site and made available for inspection by agents of the Medical Board or Pharmacy Board.
- (e) The supervising physician who has a signed agreement with the CPP shall be readily available for consultation with the CPP and shall review and countersign each order written by the CPP within seven days.
- (f) The written CPP agreement shall:
- (1) be approved and signed by both the supervising physician and the CPP and a copy shall be maintained in each practice site for inspection by agents of either Board upon request;
  - (2) be specific in regard to the physician, the pharmacist, the patient and the disease;
  - (3) specify the predetermined drug therapy which shall include the diagnosis and product selection by the patient's physician; any modifications which may be permitted, dosage forms, dosage schedules and tests which may be ordered;
  - (4) prohibit the substitution of a chemically dissimilar drug product by the CPP for the product prescribed by the physician without first obtaining written consent of the physician;
  - (5) include a pre-determined plan for emergency services;
  - (6) include a plan and schedule for weekly quality control, review and countersignature of all orders written by the CPP in a face-to-face conference between the physician and CPP;
  - (7) require that the patient be notified of the collaborative relationship; and
  - (8) be terminated when patient care is transferred to another physician and new orders shall be written by the succeeding physician.
- (g) The supervising physician of the CPP shall:
- (1) be fully licensed, engaged in clinical practice, and in good standing with the Medical Board;
  - (2) not be serving in a postgraduate medical training program;
  - (3) be approved in accordance with this Subchapter before the CPP supervision occurs; and
  - (4) supervise no more than three pharmacists.
- (h) The CPP shall wear a nametag spelling out the words "Clinical Pharmacist Practitioner".
- (i) The approval of a CPP may be restricted, denied or terminated by the Medical Board or the Pharmacy Board and the pharmacist's license may be restricted, denied, or terminated by the Pharmacy Board, in accordance with provisions of G.S. 150B if the appropriate Board finds one or more of the following:
- (1) the CPP has held himself or herself out, or permitted another, to represent the CPP as a licensed physician;
  - (2) the CPP has engaged, or attempted to engage, in the provision of drug therapy management other than at the direction of, or under the supervision of, a physician licensed and approved by the Medical Board to be that CPP's supervising physician;
  - (3) the CPP has performed, or attempted to provide, medical management outside the approved drug therapy agreement or for which the CPP is not qualified by education and training to perform;
  - (4) the CPP is adjudicated mentally incompetent;

- (5) the CPP's mental or physical condition renders the CPP unable to safely function as a CPP; or
- (6) the CPP has failed to comply with any of the provisions of this Rule.

Any modification of treatment for financial gain on the part of the supervising physician or CPP shall be grounds for denial of Board approval of the agreement.

(j) Fees:

- (1) An application fee of one hundred dollars (\$100.00) shall be paid at the time of initial application for approval and each subsequent application for approval to practice.
- (2) The fee for annual renewal of approval, due on the CPP's anniversary of birth date is fifty dollars (\$50.00).
- (3) No portion of any fee in this Rule is refundable.

Amended Eff. October 1, 2001.

## Exhibit F

### Selected Newsletter Items from October 1, 2001 through September 30, 2002

#### Item 1137 – Reminder: Clinical Pharmacist Practitioners

Clinical Pharmacist Practitioners (CPPS) need to be aware that a total of 35 hours of continuing education is required to renew their CPP status. This can include, of course, the 10 hours specified by Board rule. This new provision will be applied for renewals in 2002.

Applications for CPP status are considered by the Board of Pharmacy in the odd numbered months, and applications need to be in the Board office seven days prior to the Board meeting.

Further information on CPPs can be found on the Board's Web site at [www.ncbop.org](http://www.ncbop.org) under Drug Law/Rules/.3100.

#### Item 1140 – Changes Pharmacists Can Make to a Schedule II Prescription

The majority of changes to a Schedule II prescription can be made only after the pharmacist contacts the prescribing practitioner. The pharmacist is permitted to make correcting changes in the patient's address, drug strength, drug quantity, drug dosage form, and directions for use. The pharmacist may add information such as the patient's address. The pharmacist is not permitted to make changes to the patient's name, controlled substance prescribed (except to substitute a generic), or the prescriber's signature. After consulting with the prescriber, the pharmacist must document any changes made including the time, date, and signature. Documentation on the prescription is the pharmacist's account of the changes made. These changes should match what appears in the patient's chart at the prescriber's practice site if the dosage form or the directions for use are changed.

#### Item 1144 – Volunteers for Emergencies

The members of the Board of Pharmacy requested that staff solicit all pharmacists licensed in North Carolina to request volunteers who may be interested in assisting in a public health emergency. The last such event in this state was Hurricane Floyd and a small cadre of pharmacists did work in the aftermath of that event.

With recent concerns over different acts of terrorism we do not know what this country may face in the future. If it is necessary to assemble a group of pharmacists on short notice it will be very helpful to have a list of people

who would may be willing to serve, depending on their circumstances. If you are interested in this concept and are willing to serve, again depending on your circumstances please forward your name, address, telephone number and e-mail address to [volunteer@ncbop.org](mailto:volunteer@ncbop.org).

## Item 1152 – Disciplinary Actions

The format for Disciplinary Actions will change with this Newsletter. In this and all future Newsletters there will be information listing a general summary of actions taken by the Board. For your information a “Stay” order is the probationary period of the license or permit in question. More information regarding cases can be found on the Board’s website at [www.ncbop.org](http://www.ncbop.org) under “Disciplinary Matters”.

(The numbers listed include pharmacist or pharmacy.)

### **July 2001**

Failure to Obtain Sufficient Hours of Continuing Education for Renewal: 6

Dispensing & Delivery of Prescription Medications with no pharmacist check and no Patient Counseling: 1

Competence Issue: 1

## Voluntary Surrender of License: 1

### Item 1155 – Pharmacy Technicians

The grace period for registering technicians ended with the renewal season so all technicians employed should be registered now. It is the pharmacist-manager's responsibility to inform the Board office when a technician leaves their position. The new statute provides for an increase in the technician to pharmacist ratio but it is necessary to get approval for specific cases. A form entitled "Request for Increase" is now available from the Board office and on line. It's important to recognize that part time technicians do need to register with the Board. Pharmacy students and students in a community college, if not employed by the pharmacy, are exempt from technician registration.

After July 1, 2002 all new technician registrants need to have training in specific areas. The pharmacist-manager must provide a training program for pharmacy technicians that includes pharmacy terminology, pharmacy calculations, dispensing systems and labeling requirements, pharmacy laws and regulations, record keeping and documentation and the proper handling and storage of medications. Please note this is the responsibility of the pharmacist-manager.

If further questions remain you may wish to consult the statute which can be found on the Board's web site at [www.ncbop.org](http://www.ncbop.org) under Drug Law, G.S. 90-85.15A.

### Item 1160 – New Board Members

Two new Board Members assumed office in May, Rebecca Chater and Dr. Betty Dennis. Some would say that having two women on the Board is noteworthy. But a more significant fact is that Dr. Dennis and Ms. Chater are the first board members with earned advanced degrees. This also means that one-third of the Board members are clinical pharmacists and Dr. Dennis is qualified as a clinical pharmacist practitioner prior to her election.

Rebecca Chater is currently the group manager of clinical services for Kerr Drug. She has practice experience in long-term care, medical clinic practice, academic, independent, and chain pharmacy. She has numerous awards and honors including service as a trustee of the American Pharmaceutical Association. Rebecca earned her BS in pharmacy and a Master's in Public Health from the University of North Carolina at Chapel Hill. She and her husband Bill are parents to six-year-old Katherine Riley.

Dr. Betty H. Dennis is senior clinical specialist in ambulatory care and coordinator of the primary care residency at University of North Carolina (UNC) Hospitals and clinical associate professor at UNC Chapel Hill School of Pharmacy. She has served on many committees and numerous organizations and is a founding member of the North Carolina Cancer Pain Initiative and chair of the Protection of Human Subjects Committee at Family Health International. Betty is active in the Carrboro United Methodist Church, is a past president of the Chapel Hill Rose Society, and has an adult son who is a musician.

#### Item 1161 – Spanish for Pharmacists

A free Spanish translator is available for pharmacists and other health professionals, Monday through Friday from 8:30-noon and 1-5:30 PM. This service is for pharmacists who need help with counseling or questioning Spanish speaking patients.

This service is **not** for patients. The number for the free translator is 1-800/255-8755.

#### Item 1167 – Health Advice for Travelers

The World Health Organization (WHO) has recently published a pamphlet on this subject. This new guide for international travelers offers advice on subjects from air travel to yellow fever, on how to avoid infectious diseases and why you are more likely to be run over by a car than succumb to plague or the Ebola virus.

*International Travel and Health* provides valuable advice for travel care. This concise, but comprehensive book and accompanying Web site ([www.who.int/ith/](http://www.who.int/ith/)) draws on the WHO's global network of medical information to provide the very latest advice on prevention, vaccination, and what to do when travelers fall ill.

Factors examined include the supply of oxygen in the aircraft cabin, the expansion of gases within the body, low relative humidity in aircraft cabins, and prolonged immobility, leading to potential circulatory problems. There has been a great deal of publicity in recent years about the risk of deep-vein thrombosis after long-haul flight. But the book points out that the risk of "developing deep-vein thrombosis is very small unless additional pre-existing risk factors for thromboembolism are present."

Another chapter is devoted to malaria, a serious threat to the health of travelers in more than 100 countries, which are visited by more than 125 million international travelers every year. The chapter sets out a

comprehensive series of recommendations, from identifying which drugs are effective in which countries to how to avoid being bitten by the mosquitoes that spread the malaria parasite.

For all travelers, vaccination offers the possibility of avoiding a number of dangerous infections that may be encountered abroad. Vaccines are generally very safe and adverse reactions are uncommon. However, vaccines have not yet been developed against several of the most life-threatening infections, including malaria and HIV/AIDS, so the book offers details of other precautions that travelers should take.

Though infectious diseases are a major cause of ill health in travelers and can be life-threatening, traffic accidents are responsible for the largest number of deaths while traveling abroad.

In 1998, the last year figures are available, it is estimated that more than one million people were killed in traffic accidents worldwide and an additional 10 million were injured. Another half a million people drown each year and many more suffer permanent effects after near-drowning incidents. *International Travel and Health* suggests practical precautions that can be taken to avoid accidents on roads, in cities, and in water.

**BOYCE, FURR & COMPANY, LLP**  
CERTIFIED PUBLIC ACCOUNTANTS  
RALEIGH, NORTH CAROLINA

INDEPENDENT AUDITOR'S REPORT

The Honorable Michael F. Easley  
Governor of North Carolina  
North Carolina Board of Pharmacy  
The General Assembly of North Carolina

We have audited the accompanying balance sheets of the North Carolina Board of Pharmacy as of September 30, 2002 and 2001, and the related statements of revenues, expenditures and changes in fund balances for the years then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. These standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Carolina Board of Pharmacy as of September 30, 2002 and 2001, and the results of its operations for the years then ended in conformity with U.S. generally accepted accounting principles.

NORTH CAROLINA BOARD OF PHARMACY  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2002 AND 2001

Note 1 - Summary of Significant Accounting Policies

**Description of Organization**

The North Carolina Board of Pharmacy (the "Board") is established under Chapter 90 of the North Carolina General Statutes to maintain minimum standards for the practice of pharmacy within the State of North Carolina. The Board's operations are funded primarily through license renewal and license examination fees.

**Reporting Entity**

The Board is considered an agency of the State of North Carolina for financial reporting purposes. The Board consists of six members appointed by the Governor and elected by the licensed pharmacists.

**Fund Accounting/Basis of Accounting**

The financial activities of the Board are organized on a basis of individual funds and account groups, each of which is a separate accounting entity segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with specific regulations, restrictions, or limitations. The financial activities of the Board accounted for in the accompanying financial statements have been classified into the following fund category and account groups:

1. Special Revenue Fund

The special revenue fund is where most governmental functions of the Board are financed. The acquisition, use and balances of the Board's expendable financial resources and related liabilities are accounted for through governmental funds. Transactions related to resources obtained from specific revenue sources (other than for expendable trusts or major capital projects) that are legally restricted to expenditures for specific purposes are accounted for in the special revenue fund.

The special revenue fund is accounted for on the modified accrual basis of accounting, as prescribed by the Governmental Accounting Standards Board, appropriate for governmental entities. Under this method, revenues are recognized in the period when earned and available to finance the Board's operations. Expenditures are recorded when the liabilities are incurred.

2. Account Groups

Account groups are used to establish accounting control and accountability for the Board's general fixed assets and general long-term debt and do not involve measurement of operations.

NORTH CAROLINA BOARD OF PHARMACY  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2002 AND 2001

Note 1 - Summary of Significant Accounting Policies (Continued)

3. General Fixed Assets Account Group

This account group is established to account for fixed assets acquired for general government purposes. Expenditures for fixed asset acquisition are accounted for in the special revenue fund. The proceeds from the sale of fixed assets are reflected as revenue in the year of disposal. No depreciation is reflected for the fixed assets. Fixed assets are stated at historical cost. General fixed assets do not represent financial resources available for expenditure.

4. General Long-term Debt Account Group

This account group accounts for the long-term debt of the special revenue fund. Payment of this obligation does not require current appropriation and expenditure of the special revenue fund financial resources.

**Vacation and Sick Leave**

The vacation leave policy of the Board provides for the accumulation of up to 30 days earned vacation leave with such leave being fully vested when earned. Because vacation leave is payable to employees at termination, a liability for the outstanding balances has been recorded.

The Board provides sick leave to its employees, which is allowed to accumulate. Because sick leave is not payable at termination, a liability for the outstanding balances has not been recorded.

**Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Deposits and Investments

Cash on the balance sheet consists of checking, savings, and money market accounts of the Board at commercial financial institutions. The checking and savings accounts are insured by FDIC insurance up to \$100,000. The money market account consists of insured U.S. Treasury securities. At September 30, 2002, the Board's uninsured cash balances totaled \$334,233. The Board believes there is minimal risk regarding its cash investments.

Investments consist of certificates of deposit in a brokerage account at one local bank. The certificates bear interest ranging from 2.00% to 3.10% and have maturities ranging from nine to twelve months. These investments are presented at fair value. The cost of these investments at September 30, 2002 and 2001, is \$304,049 and \$181,219, respectively.

NORTH CAROLINA BOARD OF PHARMACY  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2002 AND 2001

Note 3 - Operating Leases

The Board leases office space under operating leases. For the fiscal years ended September 30, 2002 and 2001, total lease payments were \$68,217 and \$61,756, respectively. The lease for office space in Carrboro, NC, was extended for six months effective April 1, 2002, with three thirty-day renewal options, and the office space in Newton, NC, was extended for eighteen months effective January 1, 2002.

Note 4 - Fixed Assets

Changes in general fixed assets for the years ended September 30, 2002 and 2001, were as follows:

	<u>September 30</u> <u>2001</u>	<u>Additions</u>	<u>Disposals</u>	<u>September 30</u> <u>2002</u>
Office Equipment	\$ 399,362	\$ 47,237	\$ 126,947	\$ 319,652
Vehicles	180,421	42,366	-	222,787
Furniture and Fixtures	102,627	700	3,105	100,222
Leasehold Improvements	<u>36,054</u>	<u>-</u>	<u>12,168</u>	<u>23,886</u>
Total	<u>\$ 718,464</u>	<u>\$ 90,303</u>	<u>\$ 142,220</u>	<u>\$ 666,547</u>

	<u>September 30</u> <u>2000</u>	<u>Additions</u>	<u>Disposals</u>	<u>September 30</u> <u>2001</u>
Office Equipment	\$ 299,464	\$ 99,898	\$ -	\$ 399,362
Vehicles	180,421	-	-	180,421
Furniture and Fixtures	90,194	12,433	-	102,627
Leasehold Improvements	<u>36,054</u>	<u>-</u>	<u>-</u>	<u>36,054</u>
Total	<u>\$ 606,133</u>	<u>\$ 112,331</u>	<u>\$ -</u>	<u>\$ 718,464</u>

Note 5 - Real Estate Purchase

In August 2002, the Board signed a contract to purchase an office condominium unit at Carolina Pointe II. The estimated purchase price is \$1,730,000 and the Board made a \$100,000 escrow deposit. The Board expects to move to the condominium in the spring of 2003.

Note 6 - Cash Surrender Value of Life Insurance

In December 1989, the Organization entered into a Split-Dollar Life Insurance agreement with its Executive Director who is the insured and owner of the policy. The policy owner pays a portion of the premium equal to the value of the economic benefit determined in accordance with applicable IRS Revenue Rulings. The Organization pays the balance of the net premiums, which was \$1,387 and \$3,517 for the years ended September 30, 2002 and 2001, respectively.

NORTH CAROLINA BOARD OF PHARMACY  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2002 AND 2001

Note 6 - Cash Surrender Value of Life Insurance (Continued)

The agreement provides that the Organization shall be entitled to recover the amount of premiums paid out of the built-up cash value upon termination of the agreement or out of the proceeds upon the death of the insured. As security for repayment, the Organization is a collateral assignee of the policy to the extent of any such unreimbursed premium.

Note 7 - General Long-term Debt

A summary of General Long-term Debt as of September 30, 2002 and 2001, is as follows:

	September 30	
	2002	2001
Accrued vacation payable		
Beginning balance	\$ 57,454	\$ 55,006
Net change - additions	8,864	2,448
Ending balance	\$ 66,318	\$ 57,454

Note 8 - Retirement Plan

**North Carolina Licensing Boards Retirement Savings Plan**

The Board contributes to the North Carolina Licensing Boards Retirement Savings Plan ("Plan"), a defined contribution plan. The Plan has been established to provide retirement benefits for employees of State boards or agencies who have not elected by resolution to cause their employees to be eligible to become members of the Teachers' and State Employees' Retirement System and for employees hired after July 1, 1983, by an electing board or agency. The Plan is administered by an administrative committee with authority to amend the Plan, comprised of the Executive Directors of the participating boards and agencies.

Participating employees must contribute at least six percent of their gross compensation and the Board matches those contributions 100%. The employees' contributions are immediately 100% vested; the Board's matching contributions are 100% vested after five years of credited service. For vesting purposes, an employee must complete 1,000 hours of service each Plan year.

Each participant's account is credited with their individual contributions, the Board's matching contributions and Plan earnings and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings and account balances, as defined. Each participant is entitled to the benefit which can be provided from the participant's account.

Participants may retire with fully vested benefits at age 65, or at age 55 after completing five years of service. Upon termination of service, participants receive the vested value of their account in a lump-sum distribution.

NORTH CAROLINA BOARD OF PHARMACY  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2002 AND 2001

Note 8 - Retirement Plan (Continued)

Contributions to the Plan for the year ended September 30, 2002, totaled \$68,676, which consisted of \$32,563 from the Board and \$36,113 from employees. Contributions to the Plan for the year ended September 30, 2001, totaled \$64,345, which consisted of \$28,100 from the Board and \$36,245 from employees.

**Teacher's and State Employees' Retirement System**

For employees employed prior to July 1, 1983, the Board contributes to the statewide Teachers' and State Employees' Retirement System ("TSERS"), a cost-sharing multiple-employer defined benefit pension plan administered by the State of North Carolina. TSERS provides retirement benefits to plan members and beneficiaries. Article 1 of G.S. Chapter 135 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. The Teachers' and State Employees' Retirement System is included in the Comprehensive Annual Financial Report ("CAFR") for the State of North Carolina. The State's CAFR includes financial statements and required supplementary information for TSERS. That report may be obtained by writing to the Office of the State Controller, 3512 Bush Street, Raleigh, North Carolina 27609, or by calling (919)981-5454.

Plan members are required to contribute six percent of their annual covered salary and the Board is required to contribute at an actuarially determined rate. The current rate is three percent of annual covered payroll. The contribution requirements of plan members and the Board are established and may be amended by the North Carolina General Assembly. Contributions to the Plan for the year ended September 30, 2002, totaled \$29,432, which consisted of \$12,641 from the Board and \$16,791 from employees. Contributions to the Plan for the year ended September 30, 2001, totaled \$36,100, which consisted of \$18,226 from the Board and \$17,874 from employees.

Note 9 - Risk Management

The Board is exposed to various risks of loss related to torts; theft of, damage to, and the destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Board protects itself from exposures to loss through the purchase of commercial liability insurance.

Tort claims of up to \$500,000 are self-insured under the authority of the State Tort Claims Act. In addition, the State provides an additional \$11,000,000 public officers' and employees' liability insurance via contract with a private insurance company.

Note 10 - Fund Balances

For the fiscal year ended September 30, 2001, the Board designated \$200,000 for litigation and \$300,000 for a potential down payment on office space.
